

DPU Skill Leadership Academy
& I Create presents

THE POWER OF BOLD MOVES

A Mindset Workshop for Leaders
to Step Out of Comfort and Into
Strategic Action

Duration: 3 Hours

Audience: Senior Leaders | People Managers | High-Potential Talent | Business Unit Heads

IT INVOLVES

- **Deep reflection** on current leadership behaviours
- **Live experiences** through guided scenarios and real conversations
- **Collaborative peer learning** to create insight and accountability
- Practical applications that emerge from **inner mindset shifts**, not just outer tactics

LEARNING OBJECTIVES

- 1. High-Impact Conversations**
Master the key elements of conversations.
- 2. Bold Leadership Moves**
Explore conversations that unlock breakthroughs.
- 3. Shift how they view language as a leadership tool**
Understand how everyday conversations shape direction, speed, and ownership across the business.
- 4. Recognize subtle gaps in how responsibility is held and transferred**
Reflect on where they might be unintentionally enabling delays, silos, or drift.
- 5. Recognise Discomfort**
Understand how feeling uncomfortable can signal growth. Embrace it as a sign of pushing boundaries.
- 6. Actionable Growth Steps**
Identify practical actions to accelerate growth.

KEY WORKSHOP OUTCOMES

Participants will walk away with

- A mindset reset on how influence is created through conversation—not control
- Tools to build a culture of clarity, follow-through, and shared ownership
- The ability to initiate focused, business-aligned requests that support momentum and decision-making

2nd August
2025 | Saturday

11 am to 2 pm
(with a 10 min break)

PARTICIPANT REQUIREMENTS

To ensure a focused and productive session, please adhere to the following

- Be seated in a quiet environment, free from distractions.
- Have a notebook and pen ready for notes and reflections.
- Keep a bottle of water within reach.
- Please ensure your video remains on for the entire duration of the session.

Your presence and participation matter. Thank you for your cooperation.

WORKSHOP FORMAT

This is a workshop model, not a lecture or training.
